RCW 75.30.070 Salmon charter boats-----Angler permit, when required.

(1) Except as provided in subsection (3) of this section, it is unlawful to operate a vessel as a charter boat from which salmon are taken in salt water without an angler permit. The angler permit shall specify the maximum number of persons that may fish from the charter boat per trip. The angler permit expires if the salmon charter license is not renewed.

(2) Only a person who holds a salmon charter license issued under RCW 75.28.095 and 75.30.065 may hold an angler permit.

(3) An angler permit shall not be required for charter boats licensed in Oregon and fishing in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point under the same regulations as Washington charter boat operators, as long as the Oregon vessel does not land at any Washington port with the purpose of taking on or discharging passengers. The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations. [1989 c 147 section 2; 1983 1st ex.s. c 46 section 142; 1979 c 101 section 2.]

RCW 75.30.090 Salmon charter boats-----Angler permit-----Number of anglers. A salmon charter boat may not carry more anglers than the number specified in the angler permit issued under RCW 75.30.070. Members of the crew may fish from the boat only to the extent that the number of anglers specified in the angler permit exceeds the number of noncrew passengers on the boat at that time. [1983 1st ex.s. c 46 section 143; 1979 c 101 section 4.]

RCW 75.30.100 Salmon charter boats-----Angler permit-----Total number of anglers limited-----Permit transfer.

(1) The total number of anglers authorized by the department shall not exceed the total number authorized for 1980.

(2) Angler permits issued under RCW 75.30.070 are transferable. All or a portion of the permit may be transferred to another salmon charter license holder.

(3) The angler permit holder and proposed transferee shall notify the department when transferring an angler permit, and the department shall issue a new angler permit certificate. If the original permit holder retains a portion of the permit, the department shall issue a new angler permit certificate reflecting the decrease in angler capacity.

(4) The department shall collect a fee for each certificate issued under subsection (3) of this section. [1983 1st ex.s. c 46 section 144; 1979 c 101 section 5.]

Notification Clause

The Washington Department of Fish and Wildlife receives federal financial assistance through the federal aid in fish and wildlife restoration acts. Any person who believes they have been discriminated against because of race, color, national origin, age or handicapping condition in a program, activity, or facility operated by the department, should write to: USFWS, Department of Interior, 18th & C Streets NW, Washington DC 20241. The complaint must include your name, address, phone number, date of incident, and reason you believe you have been discriminated against.
